Eruption Spread on Baby's Face

It broke out in pimples, and she would look as red as if she had fever.

It continued spread until three months. The pimples began to

run a yellowish water and would scab over. We had her treated and used every remedy we could hear of; nothing did her any good. Finally a lady told us her baby had the same trouble and was cured from Cuticura Soap and Ontment, so at once I ordered a 25c, cake of Cuti-cura Soap and one so, of Cuticura Ointment. The Cuticura Nap and Oint-ment began their good work at once, and she was completely cured,

KIDNEY REMEDY THAT

I have been a terrible sufferer for a number of years with kidney and liver trouble, also nervous prostration and health generally poor, constitution entirely run down until life became a burden. I tried physicians and every available remedy, but found no relief Was induced to give Dr. Kilmer's Swamp-Root a trial, which acted like THIRD TRIAL OF LEWIS HOOFF magic, and am happy to say that I believe I am entirely cured and now as good a man as ever.

I believe it my duty to make this public statement that I may help others who may be suffering from the same trouble. Swamp-Root is without question the greatest remedy in the world. Any one in doubt of this statement or the authenticity can address me as below. Yours very truly,

J. W. Duffey, of Harrisonburg, who will arrive to-morrow. g Rev. David H. Kern, of Staunton, who was appointed by the conference as presiding elder of the Alexandria District, will arrive here the latter part of the week, and both will be ten-dered a reception during the coming week by the congregation of the M. E.

Church, South.

BRISTOL COMPANY RESTRAINED.

Prevented From Using Name "Whitney" on Car Wheels.

[Special to The Times-Dispatch.]

Bristol, Va., April 10.—In the Chancellor, Haynes to-day handed down an opinion in the case of the Sanford Day Iron Works, of Knoxville, Tenn., against the Enterprise Foundry and Machine Works, of Bristol, restraining the Bristol company from using the name "Whitney" in any form on car wheels manufactured by it. The Knoxville company, it was held, is protected by patents on the name of As2 W. Whitney, the noted Philadelphia car wheel builder. Counsel for the Knoxville company will ask for a reference for damages for use already made of the name "Whitney" by the Bristol company.

for the health and happiness of her family, simplifying her housekeeping problems and relieving her of worry and care. In making Shredded Wheat Biscuit we steam-cook the grains of whole wheat, draw them out into delicate, filmy shreds, form them into little loaves or Biscuit and bake them a crisp, golden brown.

Because of its biscuit form you can do so many things with Shredded Wheat which you cannot do with other breakfast cereals.

For breakfast heat the Biscuit in the oven a few moments to restore crispness; then pour hot milk over it, adding a little cream; salt or sweeten to suit the taste. It is deliciously nourishing and wholesome for any meal with stewed prunes, baked apples, sliced bananas, preserved peaches, pineapple or other fruits. At your grocer's.

DEPOSITIONS CONCLUDED.

Will Fill Eight Volumes of Large Type-Written Sheets.

The taking of surrebuttal depositions in behalf of the anti-Tartte faction of the Harrison Street (colored)
Baptist Church case, which has been pending in the Hustings Court for a period of five years all told, was concluded yesterday afternoo nbefore Spe-cial Commissioner J. B. Prince. The de-positions taken in this famous and long drawn out case fill eight volumes of large type-written sheets, containing about 3,000 pages. By orders of the court, Judge J. F. West, presiding, a church meeting was held on April 22 of last year for the election of officers and transaction of other business. This meeting was to settle the matter

of the control and management of the church and its affairs. There had been a bitter contest between two factions in the congregation—the followers of Pastor Tartte and the anti-Tartteites. Each mustered its strength for the meeting, and the anti-Tartteites won by a small majority. Only male mem-bers were allowed to vote, and only there whose names appeared on the roll prepared by Commisioner Prince after the most careful investigation. Judge Prince, as commisioner of the court, presided at this meeting. Re-cent depositions have involved the right of twenty-six men, who peti-tioned to have their names enrolled as members, and to be allowed to participate as such in the church meetings and election of officers. These petitioners are Tartte adherents.

Commissioner Prince will now consider the depositions, with the view of making up his report on the elec-tion of April 22 of last year and his finding as to the status of the twenty-six petitioners who ask to be placed on the church roll, When

the report is filed Judge West will probably fix a day for argument by coursel. Counsel in the case are tJames W. Gordon, of Richmond, for the plaintiffs (the anti-Tartteites), and R. B. Davis and Paul Pettit, of this city, for the defendants. It is hoped that the case is near its end.
